

ARTISTRY[®] NORWOOD COLLECTION

Ashland Oak

Artistry XL Planks

Artistry Hardwood offers the longest average length plank in the industry. In each carton of Artistry Hardwood flooring, at least 50% of the square footage will be represented as full-length planks.

Most other products in the industry will use the language “up to” but never specify how many of the long planks are provided in each carton. Longer planks provide greater visual continuity to your space and show the true unique beauty of mother nature.

DuraArt+™ UV Matte Lacquer

The Norwood Collection represents the greatest advancement in urethane type finishes. A traditional polyurethane finish consumes wood grain, building up a shiny plastic layer on the surface of the floor. The Norwood Collection's revolutionary DuraArt+ Performance UV Matte Lacquer livens the grain and delivers the ultra-matte silky natural look of an oiled floor, with the enhanced durability and wear resistance of a multi-layer UV finish.
