

Stairs deserve the same attention to detail and design as your wood flooring. Poor tread construction and color match can cheapen the look of your high end floors. Our fabricated nosing and treads are made with the exact same material as your floor and guarantees the best match possible. The square edge detail on our treads is consistent with current design trends.

3/4" THICKNESS

Fabricated Stair Nose

Reducer 78" in Length

T-Molding 78" in Length
