DuraArt+™ UV Cured Matte Urethane

- Multilayer coatings for added performance
- Natural appearance matte finish
- No additional coatings after installation
- Excellent resistance to stains
- Easy care, basic cleaners acceptable

Product Features

- Authentic French White Oak
- FloorScore certified for healthy indoor air quality
- Long plank average

DuraArt+™ UV Cured Matte Urethane

Color Depth Technology

- Color permeates through Sawnply wear layer stopping surface scratches from exposing light wood underneath the finish.
- Offers increased hardness and stability.

Artistry XL Planks

Artistry Hardwood offers the longest average length plank in the industry. In each carton of Artistry Hardwood flooring, at least 50% of the square footage will be represented as full-length planks. Most other products in the industry will use the language "up to" but never specify how many of the long planks are provided in each carton. Longer planks provide greater visual continuity to your space and show the true unique beauty of mother nature.
